CORPORATE SOCIAL RESPONSIBILITY

Corporate Social Responsibility refers to a company's initiatives to assess and take responsibility for its impact on the environment and social wellbeing.

EMPOWERING FUTURES THROUGH EDUCATION

As part of our Corporate Social Responsibility (CSR) program, we are committed to supporting education by providing aid to over 700 children each year. In collaboration with trusted charitable organizations such as Wahana Visi Indonesia, ANT Charity, HOPE Worldwide Indonesia, KAUM, and Kasih Peduli Sesama, we strive to create lasting impact in the lives of underprivileged children across Indonesia.

COMMUNICATING YOUR IMPACT

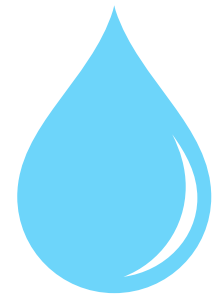

WATER FOR TAKARAI

The Issue

In Takarai, villagers **must walk 300-400 meters on treacherous roads three to four times a day** just to fetch clean water. This exhausting routine is a necessity due to the absence of a local water supply, forcing residents to either **purchase Rp250.000 for 5,000 litres of water from neighbouring villages** or undertake the treacherous journey themselves. The **wet season** further complicates their journey, as it **restricts road access** and **prevents water tanks from reaching the village**, intensifying their struggle for access to water.

WATER FOR TAKARAI

Our Solutions

To address this challenge, a **permanent solar-powered water pump system** will be installed to provide clean water.

Clean water will be gathered and can be collected at the **community's designated water collection point**.

The Impacts

Sustainable Water Supply: Consistent and reliable source of clean water.

Improved Health: Better sanitation and hygiene.

Educational Benefits: Removes the burden of collecting water, freeing up time for study.

Economic Impact: More time for productive activities could lead to economic gains.

Safety and Accessibility: Reduced need to travel dangerous and slippery roads for water = decrease the risk of injuries among villagers.

OUR CONTRIBUTION TO LIFESAVING EFFORTS

QUARTERLY BLOOD DONATION

Our company organizes quarterly blood donation drives, contributing approximately 720 bags of blood annually as part of our ongoing commitment to community health and social responsibility.

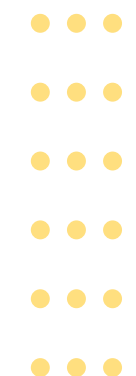

✓ Flood Relief Support

In response to severe flooding affecting several regions, our company took swift action by distributing essential supplies such as clean water, food, blankets, and hygiene kits to impacted communities. We worked closely with local organizations and volunteers to ensure timely and efficient delivery of aid to those in urgent need.

✓ Earthquake Emergency Assistance

Following recent earthquakes, we mobilized resources to support affected families by providing emergency materials, medical supplies, and daily necessities. Our ad hoc relief efforts reflect our commitment to standing with communities during times of crisis and contributing to their recovery and resilience.

✓ Building Better Lives Through Housing Support

We support underprivileged families in rural West Java by providing access to new, safe, and livable housing. This initiative is part of our commitment to improving quality of life and fostering sustainable community development.

STRENGTHENING WORKFORCE DEVELOPMENT THROUGH STRATEGIC COLLABORATION

We proudly collaborate with the Ministry of Industry of the Republic of Indonesia, the Department of Labor, and the Industrial Training Center to provide free training programs aimed at preparing participants for internship opportunities.

This initiative supports national efforts to enhance vocational skills and promote workforce readiness, particularly among young talents entering the manufacturing and industrial sectors.

CORPORATE SOCIAL RESPONSIBILITY

In response to the devastating Woolsey Fire in California, we donated 10,000 men's pants to support those affected. The donation was distributed through the Oroville Hope Center, helping communities recover and rebuild after one of the worst wildfires in the state's history. We are honored to stand in solidarity with those in need and contribute to ongoing relief efforts.

Date: March 4th, 2019

To Mr. David Cohen,

We would like to thank you and TTWI for your most generous donation of 10,000 men's pants to the victims of the Woolsey Fire that rampaged through our neighborhoods in Nov 2018.

It took Lives, Homes and Business's not only here, but in the Paradise fire as well, the worst fire in California's history.
Affecting and causing great loss to all levels of society. It will take years to rebuild most, some never.

These goods were sent to and distributed via the Oroville Hope Center organization to the people of all the affected areas.

Please see the link below.

We and they are most appreciative of your most kind and generous donation, that we know ran into many \$100,000.00's of Dollars.

On behalf of ALL whom you have helped, please accept our most sincere gratitude.
